TECHNICAL SKILLS

BEHAVIORAL SKILLS

Analytical thinking and conceptual problem-solving ability.

I thrive on hunger to learn and willing to go extra mile to learn new skills.

PROFESSIONAL SUMMARY

Enthusiastic and Growth mindset Graduate Front End Developer with strong work ethics, motivated to learn & grow, and developing as an IT professional. My biggest strength is my passion for learning new skills. The main area of my expertise is front-end development, HTML, CSS, JS, and React Framework building small and medium web apps, custom plugins, features, animations, and coding interactive layouts.

WORK EXPERIENCE

Junior Web Developer

Generation Australia

September 2022 - December 22

I was accepted into Generation Australia's 16-week, Junior web development program. I learn not just web development technical skills but also growth mindset and persistence skills.

- Develop the UI pages using HTML5, CSS3, JavaScript, React.js.
- Participated in daily Tech team meetings to discuss and brainstorm new strategies to produce efficient ways.
- Striking a balance between functional and aesthetic design.
- Ensuring web design is optimized for smartphones.
- Optimizing web pages for maximum speed and scalability.
- Maintaining application consistency throughout the design.

Volunteer Work

Eight Cap Financial Services

April 2022 -August 2022

- Build reusable components and front-end libraries for future use.

Trust, integrity, and commitment to my work.

Collaboration and relationship building.

Professional with strong written communications and formal report writing ability.

Planning and organising ability including prioritising, management, and project management skills.

Tenacious and disciplined, my work ethic is sound, and values are important to me.

Leadership and team motivation.

EDUCATION
